NANDINI

nandinigunu007@gmail.com

UI-UX DESIGNER

Lucknow, Uttar Pradesh, India

CAREER OBJECTIVE

To secure a position as a UI UX Designer in a reputable organization to apply my skills and contribute to the company's growth while continuously advancing my knowledge and expertise in the field.

SUMMARY

I am Nandini a UX/UI designer based in India. I specialize in creating intuitive and user-friendly interfaces using tools like Figma, Adobe XD, and Canva. My expertise lies in understanding the user's needs and designing solutions that are simple, beautiful and effective. I pay close attention to details, visual hierarchy, accessibility and responsiveness in her work. I convey complex ideas simply through visuals and interactions, allowing users to achieve their goals with minimal effort.
