Address · Barola, Noida Sector 76

Mobile · 9984761485

Email · akhileshy982@gmail.com

As a skilled React Native developer with two years of experience, my objective is to contribute to a dynamic development team where I can leverage my expertise in building efficient, high-quality cross-platform mobile applications. My goal is to utilize my strong proficiency in JavaScript and React Native

EXPERIENCE

20 APRIL 2022 – PRESENT

REACT NATIVE DEVELOPER, EXCELLENT SOFTWARES

Developed Cross-Platform Mobile Applications: Designed and implemented high-performance, scalable 5+ mobile applications for both iOS and Android platforms using React Native.

Collaborated with Cross-Functional Teams: Worked closely with designers, product managers, and backend developers to ensure seamless integration and delivery of features.

Maintained Code Quality: Utilized best practices in coding standards, conducted code reviews, and performed thorough testing to ensure the delivery of robust and maintainable code.

Continuous Improvement: Regularly updated and maintained existing applications, implementing new features and optimizing performance based on user feedback and analytics.

EDUCATION

2016

MCA, DR.A.P.J. ABDUL KALAM TECHNICAL UNIVERSITY, LUCKNOW, UP
