- ❖ **Senior Secondary (XII)** **2019**
Bihar State Education Board, Patna
Passed with 61 %
- ❖ **Secondary (X)** **2017**
Bihar State Education Board, Patna
Passed with 63 %

PROJECTS UNDERTAKEN

- ❖ **Skill Sphere (E-Learning Website):**
Designed and implemented a comprehensive e-learning website with a robust front-end using HTML, CSS, JavaScript, and Bootstrap, and a reliable back-end using Java and MySQL, ensuring a seamless user experience and efficient data handling.
- ❖ **CRM (Customer Relationship Management):**
Implemented a dynamic CRM system combining HTML, CSS, JavaScript, and Bootstrap for a responsive UI, with Java and MySQL ensuring secure and efficient backend processes. This project optimizes customer engagement and data handling.
- ❖ **College Website Navigation:**
Developed with HTML, CSS, JavaScript and Bootstrap, it ensures accessibility across devices with responsive design and integrates dynamic content management for real-time updates.
