Education

Pranveer Singh Institute Of Technology

(2022-24)

Master Of Computer Application (71.71%)

UttarPradesh, INDIA

Brahmanand Degree College

(2019-22)

Bachelor Of Science (61.83%)

UttarPradesh, INDIA

DurgaPrasad VidyaNiketan

(2018-19)

Intermediate (CBSE) (82.33%)

UttarPradesh, INDIA

DurgaPrasad VidyaNiketan

(2016-17)

High School (CBSE) (95%)

UttarPradesh, INDIA

Internships

CODSOFT | Web Development Intern

(Sep'23)

-Assisted in the development and maintenance of front-end interfaces using HTML, CSS, and JavaScript.

-Participated in the planning and execution of website optimization strategies to improve performance and user experience.

-Collaborated with the development team to design and implement new features for client websites.

Projects

SHOPOSPHERE (group project) | HTML, CSS, PHP, MY SQL

- It focusing on providing users with a seamless shopping experience,implemented user-friendly navigation to enhance accessibility across devices, ensuring a convenient browsing and purchasing process.
- Prioritized customer satisfaction through prompt order processing, provided responsive customer support for positive user experiences.
- Implemented advanced security measures for secure transactions, utilized encryption techniques to protect customer data.

Credit Card Fraud Detection| Python, Machine Learning

- Developed machine learning models for predicting fraudulent credit card transactions.
- Implemented advanced algorithms to analyze transaction patterns and identify anomalies.
- Contributed to enhancing fraud detection capabilities in financial systems.
- Aimed to minimize risks and protect the integrity of electronic payment systems.

Technical Skills

Languages/Frameworks: C++, C, Java, JavaScript, NodeJS, Python

Platforms/Softwares/Databases: Github, VS Code, MySql

Technologies: HTML, CSS, PHP, Machine Learning

Core Fundamentals: Operating System, Database Management System, Computer Networks, OOPs, DataStructures

Certifications

- Programming Fundamentals using Python from [INFOSYS SPRINGBOARD](#)
- GenAI from [GOOGLE](#)
- NLP Solution with Azure AI Language from [MICROSOFT](#)
- Data Analytics and Visulization Job Simulation from [Accenture](#)

Achievements

- AIR 67 in Common Internship Test
- Participated in coding competitions and workshops
- Proficiency in English and adept at tapping into the IT talent hu
