- Used Query Analyzer and SQL for writing stored procedures, triggers in SQL Server.
- Project.

Project Work Details

(Human Resource Management System)	
------------------------------------	--

Environment: Asp.Net MVC 5, MSSQL Server 2019,C#,jquery.

Details: HRMS is complete application for Human Resource Management.This project consist of following module System

EmployeeInformation,LeaveManagement,AssetManagement,Attendance,Taskmanagement, EmployeeFeedback,Payroll,Reports.

(School Management System)	
----------------------------	--

Environment: Asp.Net MVC 5, MSSQL Server 2019,C#,jquery HTML/CSS, JavaScript,Bootstrap.

Details: SMS is complete application for School Management System.This project consist of following module System

TeacherInformation,StudentInformation,LeaveManagement,AssetManagement,Attendance,Task Management, TeacherFeedback,Payroll,Reports.

(Hospital Management System)	
------------------------------	--

Environment: Asp.Net MVC 5, MSSQL Server 2019,C#,jquery, HTML/CSS, JavaScript,Bootstrap.

Description:

Developed a comprehensive Hospital Management System to streamline hospital operations, including patient management, billing, inventory control, and staff management, Pharmacy, Pathology Reporting. The system aimed to improve efficiency, reduce errors, and enhance patient care.

Education

- B.Tech from AKTU (2023) – 70%.
- 12th from U.P Board (PCM) in 2018 – 54%
- 10th from U.P Board in 2016 – 82%.

Personal Details:

Name	:	Navneet Yadav
Father's Name	:	Lachchhan Yadav
