TECHNICAL SKILLS AND INTERESTS

Languages: C/C++, Java, HTML, CSS, JavaScript, SQL

Web Dev Tools : VScode

Cloud/Databases: Relational Database(mySql)

Relevant Coursework: Data Structures & Algorithms, Operating Systems, Object Oriented Programming, Database Management System.

Areas of Interest: Web Design and Development, Data Structure and Algorithm

Soft Skills: Self-learning, Presentation, Adaptability, Team Leadership, Team Work, Time Management Skills.

EDUCATION

- **Bachelor of Engineering - Computer Science and Engineering** 2021-25
Chandigarh University, Gharuan, Punjab CGPA: 8.06
- **Intermediate (CBSE)** 2019-20
Central Academy Senior Secondary, Gorakhpur, Uttar Pradesh Percentage: 86.6%
- **Matriculation (CBSE)** 2017-18
Central Academy Senior Secondary, Gorakhpur, Uttar Pradesh Percentage: 86.2%

PERSONAL PROJECTS

- **Traffic Management System** Sep 2024 - Dec 2024
Designed a Traffic Management System using real-time data for efficient traffic flow.
 - Implemented adaptive traffic signal control based on traffic density for optimized vehicle movement.
 - Integrated sensors and algorithms to reduce congestion and improve overall road safety.
- **Health Stack Website Master** Apr 2024 - Jul 2024
Health Stack Website Master enables secure communication between patients and doctors.
 - A Health Stack Website Master is a secure online platform designed to facilitate communication and manage interactions between healthcare providers (doctors, hospitals, clinics) and patients. It serves as a digital bridge for improving healthcare services, enhancing convenience, and enabling remote access to medical records and health-related services. Key features typically include Appointment Scheduling, Medical Records Access, Messaging and Consultations.
 - Technologies Used- HTML, CSS, JavaScript.
- **HealthyFy Website** Nov 2023 - Feb 2024
A website based Health identification and suggestion system
 - Help User to stay healthy using millets and track calories throughout the day.
 - Technologies Used – HTML , CSS , JavaScript.

CERTIFICATION

- * Elite certificate in Introduction to Programming in C++ conducted by IIT Kanpur through NPTEL
- * Silver certificate in Introduction to Programming in Java conducted by IIT Kharagpur through NPTEL
- * HTML, CSS and JavaScript certificate from Infosys Springboard
- * Gold certificate in Internet of Thing conducted by IIT Kharagpur through NPTEL
- * Elite certificate in Discrete Mathematics conducted by IIT Madras through NPTEL

ACHIEVEMENTS

- * 550+ questions solved of Data Structures & Algorithms from geeksforgeeks, leetCode, coding ninjas and codechef.
- * Leading and winner of Volleyball team.

TRAININGS

- * Completed a summer training where tasks included building and maintaining front-end features HTML, CSS and JavaScript.
- * Attended workshops and completed online courses related to web development (e.g., Coursera, Udemy).
