Objective

Enthusiastic and dedicated B.Tech graduate in Computer Science and Engineering with strong foundational knowledge in web development, UI/UX design, and front-end technologies. Seeking a **Frontend Developer** role to apply my skills in creating visually appealing and highly interactive web applications.

Education

Bachelor of Technology in Computer Science and Engineering

Dr. Ambedkar Institute of Technology for Divyangjan, Kanpur, Uttar Pradesh (2020-2024) SGPA: 8.04

Technical Skills

- **Programming Languages:** C, C++, and JavaScript
- **Frontend Technologies:** HTML, CSS, React, Bootstrap
- **API Handling:** Axios, Fetch API
- **Version Control:** Git, GitHub
- **Performance Optimization:** Lazy Loading, Code Splitting

Projects

1. Weather App

Tech Stack: HTML, CSS, JavaScript, React

Description: Developed an interactive, user-friendly weather application using React, providing real-time weather updates and forecasts for cities worldwide. The app integrates with a weather API to fetch and display weather conditions, enhancing user experience with dynamic and intuitive UI components.

2. CRUD Application with React

Tech Stack: React, Axios, Hooks (useState, useEffect), Firebase

Description: Built a frontend-focused CRUD (Create, Read, Update, Delete) application using React, Axios, and Firebase for data storage. Utilized React hooks for state management and dynamic UI updates. Integrated Firebase Firestore for seamless real-time data handling and authentication.

Internships & Certifications

- **Intern at Code Alpha** (May 2023 - June 2023)
 - Gained hands-on experience in HTML, CSS, and JavaScript.
 - Developed projects like a Temperature Converter, URL Shortener, and Live Code Editor. Enhanced UI/UX design and responsiveness.
- **Google Cloud 30 Days Challenge Participant**
- **Open Source Contributor in Hacktoberfest 2022**

Extra-Curricular Activities & Achievements

- Stood 1st in the RPA Path Quiz Competition
- Active contributor to open-source projects
- Participated in various coding competitions and hackathons

Soft Skills

- Strong problem-solving skills
- Effective communication
- UI/UX design thinking
- Team collaboration
- Time management
