SUMMARY

I am a passionate and dedicated web development fresher with a strong foundation in HTML, CSS, JavaScript, and ReactJS, coupled with practical experience in Git and GitHub for version control. My skills in MySQL enhance my ability to manage and manipulate databases efficiently. I am eager to leverage my technical abilities and keen enthusiasm for web development to contribute to your esteemed company and grow within a dynamic team environment.

TECHNICAL SKILLS

Languages: Javascript , Java ,HTML/CSS,MYSQL

Libraries: Bootstrap , React Js

Developer Tools: Git and Github , Vs Code, IntelliJ

PROJECTS

TUNE BOX | *ReactJs , HTML ,CSS , Spotify Music API*

- **Objective:** Create a music search engine using React and the Spotify API to search for songs and play 30-second previews.
- **Install Required Packages:** Add necessary packages for making API requests and handling state (e.g., Axios for HTTP requests).
- **Explore Spotify Web API:** Understand the Spotify API, including endpoints for searching and playing music.
- **Implement Search Functionality:** Use the Spotify Web API's search endpoint to fetch song data based on user queries.
- **Add Playback Feature:** Utilize the player endpoint to allow users to preview songs for 30 seconds and also download its.
- **Integrate UI Components:** Build and integrate UI components to display search results and playback controls

FITFUSION | *ReactJs , Material UI, Rapid API (Exercises DB API and YouTube Search and Download API)*

- **Description:** Developed a modern fitness exercises application using React 18, Material UI, and Rapid API.
- **Features:** Allows users to browse over 1000 exercises, select categories, and target specific muscle groups.Integrates YouTube videos for exercise demonstrations.Responsive design for various devices.
- **Development Highlight :** Implemented React hooks (useState, useEffect) for state management and API requests.Utilized Material UI for a sleek user interface.Managed state and props to ensure smooth functionality across components.

EDUCATION

Integral University, CGPA: 9.10
Bachelor of Technology in Computer Science and Engineering

Lucknow, India
Aug. 2020 – July 2024

RKC Inter College
12th Standard

Lucknow, India
Mar. 2019 – Mar 2020

POSITION OF RESPOSNIBILITY

Volunteer in Fest

- Worked closely with the organising team to plan and execute various activities.
- Handle the entry of students, ensuring a smooth flow of attendance and minimising waiting time.
