ABOUT ME

I am a motivated and detail-oriented Web Developer with 1+ years of professional experience at Webarian Software. I hold a Bachelor of Computer Applications (BCA), and have a strong foundation in both front-end and back-end web development. I am continuously expanding my technical skill set, staying up to date with industry trends, and striving to deliver high-quality digital experiences. I thrive in collaborative environments and enjoy solving complex problems through code.

SKILLS

- Laravel, Javascript
- Development & Integration
- (Git, GitHub)
- Html5 & Css3
- Bootstrap
- Responsive Web Design
- MySQL
- XAMPP & Postman
- Responsive Web Design

WORK EXPERIENCE

Webarian Softwares | 2023 - Present

Web Developer

- Designed, developed, and maintained responsive websites and web applications using HTML, CSS, JavaScript, PHP, and Laravel.
- Built dynamic and secure web applications using Laravel with a focus on scalability and clean code architecture.
- Implemented back-end functionalities such as authentication, database management, and API integration using PHP and MySQL.
- Collaborated with team members to create new features and enhance existing modules.
- Utilized Postman for testing APIs and ensuring seamless communication between front-end and back-end.
- Maintained software documentation and contributed to improving internal coding standards and best practices.

EDUCATION

Maharaja Agrasen Himalayan Garhwal University

Bachelor of Computer Applications (BCA) | 2023-2025
