PROFILE

As a recent graduate specializing in computer networking, cloud computing, and cybersecurity, I have a solid understanding of networking principles, cloud technologies, and cybersecurity fundamentals. I am highly motivated to learn and excel in this dynamic industry, eager to contribute to innovative projects and take on challenges with a proactive problem-solving approach.

TECHNICAL SKILLS

- **Networking** : Proficient in routing and switching technologies, including TCP/IP, DNS, DHCP, VLANs, OSPF, BGP, subnetting, NAT, VPN technologies, Ethernet switching, VLAN trunking (802.1Q), STP, routing tables, dynamic and static routing configurations, switch port configuration, port security, and network troubleshooting.
- **Cloud Computing**: Familiar with cloud platforms like AWS and Azure Cloud Platform, understanding of virtualization, cloud deployment models (IaaS, PaaS, SaaS), cloud security, and management tools.
- **Cybersecurity**: Knowledge of cybersecurity principles, security protocols, firewall configuration, intrusion detection/prevention systems (IDS/IPS), vulnerability assessment, ethical hacking concepts, and security best practices.
- **Tools**: Familiarity with network monitoring tools (Wireshark, Nagios), cybersecurity tools.
- **Administration Skills**:
Kali Linux administration
Windows Server administration (including Windows Server 2012 R2)
Red Hat Linux administration (including CentOS 7)

CERTIFICATIONS

- **EC-Council**: Ethical Hacking Essentials, Network Defense Essentials, Introduction to Dark Web, Anonymity, and Cryptocurrency, SQL Injection Attacks.
- **NPTEL**: Cloud Computing
- **E & ICT Academy(IIT, Kanpur)**: Introduction To Cloud, Linux, Advance Cloud, Cyber Security, Advance Cyber Security.

INTERESTS

- **Volunteering**
- **Sports or Fitness Activities**
- **Photography**
- **Reading**
- **Traveling**

EDUCATION

Schooling

BVB Public School, Hardoi
Higher Secondary Certificate
2019-2021

BCA

IIMT UNIVERSITY , MEERUT
Cloud and Cyber Security
2021-2024

SOFT SKILLS

- **Creative Thinking**
- **Communication**
- **Problem Solving**
- **Team Work**
- **Adaptability**
- **Time Management**
- **Leadership**
- **Open to Feedback**

ACHIEVEMENTS

- **Taekwondo State Level Certificate**
- **Cyber Security Trainer, Exclaim LLP**
- **Administrative Assistant, Quhu**
- **I Have Earned 2K+ Subscriber on YouTube**

LANGUAGES

- **English**
Professional working Proficiency
- **Hindi**
Native/Bilingual proficiency
