SUMMARY

Experienced Full Stack Developer with over 1 year of expertise in developing scalable web applications using modern JavaScript frameworks and libraries. Proficient in Node.js, Next.js and a wide range of programming languages with a strong focus on performance and user experience. Seeking to leverage my skills and experience to contribute to a dynamic development team.

EXPERIENCE

Software Developer (NodeJS/NextJS)

HABUILD HEALTHTECH PVT. LTD.

Jan 2024 - June 2024

- Successfully completed an intensive internship focused on **NodeJS developer**.
- Enhanced problem-solving skills by troubleshooting and resolving issues.
- Developed web applications, including a **Customer Detail Form** using Next.js.
- Managed customer data and feedback, utilizing **backend technologies** to process ratings and responses.
- Gained expertise in **creating frontend applications** with JavaScript and maintaining backend **records of customer** details.

INTERNSHIP/TRAINING

NODEJS DEVELOPER

HABUILD HEALTHTECH PVT. LTD.

Oct 2023- Dec 2023

- Acquired foundational knowledge of JavaScript during training and developed a URL Shortener application using Cloudflare's services and successfully deployed it.
- Designed and implemented a dynamic webpage that fetches data from a specified API and displays the information seamlessly on the user interface.
- Created a functional clone of **Zoom Meetings**, replicating key features and user interface elements, showcasing advanced JavaScript skills and understanding of real-time communication technologies.

VIRTUAL DEVELOPER PROGRAM

ACCENTURE

Sep 2023- Oct 2023

- Engaged in various tasks including **software testing** and coding, enhancing practical skills in debugging and code optimization.
- Gained valuable experience in virtual collaboration and **remote work methodologies**, effectively contributing to team projects in a fully remote environment.

ADVANCE C TRAINING

IQRA SOFTWARE TECHNOLOGIES PVT. LTD.

Feb 2021- Mar 2021

- Demonstrates exceptional **problem-solving** abilities with a comprehensive understanding of (DSA).
- Proficient in **debugging** and **optimizing** C code for enhanced performance and efficiency.
- Successfully **debugged** and resolved issues in provided codebases, demonstrating strong problem-solving abilities and attention to detail.

PROJECTS

Online Shopping Website

(Academic Project)

PHP, JavaScript, HTML, CSS

01 Jan 2023 - 31 May 2023

- **Developed an all-in-one portal** designed to provide seamless online experiences for customers seeking information, entertainment or productivity.
- **Technology Used**- PHP, JS, CSS, HTML, MYSQL.

EDUCATION

Bachelors Of Technology (C.S.E)

KRISHNA INSTITUTE OF TECHNOLOGY

July 2019- May 2023

Percentage: 71.4%

Intermediate

JNV MINTER COLLEGE

June 2018 - May 2019

Percentage: 60%

High School

JNV MINTER COLLEGE

April 2016- June 2017

Percentage: 81%

SKILLS

Programming/Scripting languages:

Advance C, Core Java, JavaScript, SQL.

Frameworks & Libraries :Node.js, Next.js,

React.js, Express.js.

Databases: MongoDB, PostgreSQL, MySQL.

Deployment Platform: Railway.app.

Professional Experience

- Earned certification in **Node.js**, demonstrating expertise in building and maintaining server-side applications.
- Developed and maintained scalable **web applications** using Node.js and Next.js, ensuring high performance and responsiveness.
- Proficiently managed and optimized data storage solutions using **MongoDB** and **PostgreSQL**.

CERTIFICATIONS

- Virtual Experience Program – [Accenture](#).
- C/C++- [IQRA Software](#).
- JavaScript Course– [GeeksforGeeks](#).
