PROJECTS

E-commerce website

This project is an online shopping platform that allows users to browse and purchase products digitally. It includes user registration, product listing, cart management, and order tracking features. The website is built using HTML, CSS, JavaScript, and integrated with a backend database. It provides a convenient and secure way for customers to shop from anywhere at any time.

PERSONAL DETAILS

Date of Birth: 12 July 2000

Marital Status: Unmarried

Nationality: Indian
