EXPERIENCE

November 2021 - Now

Online Marketing
Manager

Cubek Technologies Pte Ltd / India, Lucknow

Conducted keyword research to optimize organic search engine rankings and maximize visibility in SERPs.

- Created targeted campaigns on various social media platforms to promote products, services, and events.
- Developed and implemented comprehensive online marketing strategies to increase customer engagement, brand recognition, and website traffic.
- Collaborated with graphic designers and copywriters to create compelling ad creatives that resonated with target audiences.
- Implemented SEO best practices including optimizing titles tags and meta descriptions.
- Researched new technologies and industry trends in order stay up-to-date and recommend improvements when necessary.
- Coordinated with cross-functional teams to ensure consistent messaging across all channels of communication.
- Built relationships with influencers in the industry and leveraged their reach for gaining more exposure.
- Managed the creation of content for multiple digital platforms including blogs, email newsletters, and websites.
- Monitored market trends and competitive landscape to identify opportunities for growth.
- Analyzed web analytics data to identify areas for improvement in customer experience and website optimization.
- Created A and B tests to improve conversion rates through effective landing page design.
- Developed a system for tracking user behavior on our website and mobile app.
- Planned and executed paid advertising campaigns on Google AdWords, Facebook Ads, LinkedIn Ads.
- Provided regular reports on progress made towards achieving overall objectives set by senior management team.
- Performed detailed analysis of campaign performance using tools such as Google Analytics.
- Delivered marketing strategy updates to upper-level management.
- Developed marketing strategies based on corporate objectives and market trends.

August 2018 - October 2021

Cubek Technologies Pte Ltd / India, Lucknow

Data Work & Online
Marketing Executive

In this role, I was responsible for managing and analyzing large datasets to identify trends and insights for the company's online marketing strategy. I also implemented various campaigns and strategies to increase website traffic and improve overall online presence.

- Optimized landing pages for maximum conversion rate by A and B testing different elements like images, text.
- Created monthly reports on website traffic and ROI from online marketing efforts.
- Researched, wrote, edited and proofread copy for various digital platforms including website content, blogs, emails and social media posts.
- Monitored analytics to assess performance of online advertising campaigns and make recommendations for improvement.
- Managed the development of email campaigns with design team to ensure timely delivery of materials.
- Conducted market analysis and competitive intelligence research in order to identify emerging trends and new opportunities.
- Analyzed competitor websites and identified areas for improvement in our own online presence.
- Implemented SEO best practices on website pages in order to improve organic rankings in search results.
- Utilized a variety of tools such as Google Analytics and Webmaster Tools to track website performance metrics such as pageviews, bounce rate.
- Executed and managed banner, video and other non-text link ad campaigns.
