💼 EXPERIENCE

Acetians Technologies Pvt Ltd

Cloud Consultant

- Involved in product selling and solution consulting for Microsoft Office 365, AWS, and ERP solutions, catering to campus-specific needs and ensuring smooth deployment and adoption.
- Handled lead generation initiatives through cold calling, LinkedIn outreach, and targeted campaigns to promote cloud and IT service offerings, including Microsoft 365, AWS, and custom ERP solutions.
- Identified and qualified prospects, set up virtual meetings with decision-makers, and handed over sales-ready leads to the business development team for closure.
- Consistently met monthly lead generation targets with a high follow-up closure rate.
- Proficient in Microsoft 365 (Excel, Word, Teams), leveraging the suite to enhance productivity and internal collaboration for clients.
- Utilized AWS cloud services to design and recommend scalable, cost-effective, and secure cloud solutions to meet various business and institutional needs.
- Conducted training sessions and workshops for faculty and students, enabling effective use of Microsoft 365 tools for academic and administrative efficiency.
- Coordinated with internal teams to deliver tailored digital transformation solutions, improving client satisfaction and service adoption rates.

Social Media Head

- Worked as a Social Media Manager, creating and managing content strategies to boost brand visibility, engagement, and audience growth across multiple platforms.
