## EDUCATION

Rameshwaram Institute of Technology and management

B.Tech in Computer Science

CGPA: (7.2/10 )

LUCKNOW, Uttar Pradesh

Graduated , July 2025

## PROFILE SUMMARY

Frontend Developer skilled in **JavaScript, React, and Node.js**, with a strong ability to build responsive and scalable web applications.

- **Project Management:** Experienced in full development lifecycle – from planning to deployment and maintenance
- **Tech-Savvy:** Passionate about learning and applying new technologies and industry trends
- **Career-Oriented:** Looking to grow in a reputed organization that encourages innovation and continuous improvement.

## EXPERIENCE

Web Development intern

Octanet Services Pvt. Ltd | Jan 2024 – April 2024

- Worked on live web development projects, contributing to both frontend and backend components using HTML, CSS, JavaScript, and Node.js.
- Demonstrated strong problem-solving and debugging skills during development tasks.
- Collaborated with team members and completed assigned tasks with high professionalism and attention to detail

## PROJECTS

**Blog Application with Authentication**

Tools: React, Appwrite, Redux

A full-featured blog application enabling users to register, authenticate, and manage their blog posts seamlessly.

Responsibilities:

- **Frontend Development:** Built a responsive and user-friendly interface using **React.js**.
- **Authentication:** Implemented secure **user authentication and authorization** using **Appwrite**.
- **Backend Management:** Handled data storage, retrieval, and user management through **Appwrite** backend services.
- **State Management:** Used **Redux** to maintain consistent and predictable application state across components.

**E-Learning Web Application — React, Tailwind CSS, Redux, Ant Design**

Developed a scalable e-learning platform with dynamic quizzes, secure authentication, dark mode, and a clean UI using React, Redux, Tailwind CSS, and Ant Design

Responsibilities:

- **Frontend Development:** Built a modular, component-based UI using **React** and styled with **Tailwind CSS** for responsiveness.
- **UI/UX Enhancement:** Integrated **Ant Design** components for a polished and user-friendly interface.

## ACADEMIC ACHEIVEMENTS

- Earned a certification in Frontend developer, demonstrating proficiency in technologies and project management.

## SKILLS

**Programming:** JavaScript, HTML, CSS, React.js, Node.js, Tailwind, git/github

**Tools:** Vs code, IntelliJ, PyCharm
