

NANCY MARIAN

Aspiring Data Scientist | Passion for Leveraging Data to Inform Business Decisions

As a motivated and aspiring Data Scientist, my goal is to leverage my skills in Power BI, Tableau, Statistics, Python, SQL, and Data Structures to analyze and interpret complex data sets, extract valuable insights, and create data-driven solutions that contribute to business success. With a strong foundation in data science techniques and a keen eye for detail, I am eager to apply my knowledge and drive to optimize decision-making processes and deliver meaningful results in the field of data science.
