INTERNSHIP

GRAPHIC DESIGNER/WEB DEVELOPER Sep 2022 - Dec 2022

FirstFunding Pvt Ltd, Noida, India

- Completed a **four-month** web development/Graphic design focused on **graphic design and web development**.
- Worked on the development and design of **FirstFunding.in**, a website aimed at connecting startup companies with potential investors.
- Specialized in front-end design and implementation as a web development intern.
- Developed front-end designs using **HTML5, CSS3, Bootstrap Framework, Illustrator, Figma Canva, Lightroom** to create visually appealing web pages and designs .
- **Website Development:** I was involved in developing and maintaining the Accman Business School website. I used HTML for structuring the content, CSS for styling, and Bootstrap for responsive design, ensuring the site looked great on all devices.
- **Responsive Design:** Using Bootstrap, I made the website responsive, adapting to various screen sizes and devices, providing an optimal user experience across desktops, tablets, and smartphones.
- Implemented clean coding practices to eliminate errors and improve the website's overall performance.
