EDUCATION

Dr. A. P. J. Abdul Kalam Technical University Lucknow, Uttar Pradesh

B.Tech in Computer Science and Engineering

2021-2025 | CGPA: 8.2

PROFILE SUMMARY

I am a passionate and motivated web developer with strong skills in HTML5, CSS, Bootstrap, Tailwind CSS, and JavaScript. Currently, I am enhancing my front-end development expertise by working with React and actively building projects to strengthen my understanding. My goal is to become a Full Stack MERN Developer. I am committed to continuous learning and staying up to date with the latest technologies to build efficient, scalable, and user-friendly web applications. I aim to contribute meaningfully to a forward-thinking organization while growing professionally and expanding my technical skill set.

PROJECTS

Food Wastage Management System

Mar2025–Jun 2025

Tools: *HTML, CSS, Bootstrap, JavaScript, PHP, MySQL*

Developed a web app to reduce food waste by connecting donors with NGOs and individuals.

Role: *Front-End Developer*

- Built a responsive UI using HTML, CSS, Bootstrap, and JavaScript.
- Collaborated with the back-end team for seamless integration.
- Ensured cross-browser compatibility and user-friendly design.

Coffee Shop Landing Page

Dec 2024 Jan 2025

Tools: *HTML, CSS, Bootstrap, JavaScript*

Developed a dynamic landing page for a coffee shop web application with features such as user registration, authentication, and blog post management.

Key Responsibilities:

- Designed and built a responsive, user-friendly interface using **HTML, CSS, JavaScript, and Bootstrap**.
- Ensured smooth performance and consistent functionality across all major browsers and screen sizes.
- Focused on delivering an intuitive and visually appealing user experience.
- **Currently in the process of converting the project to React** for improved scalability and maintainability.

Experience

Frontend Web Development Intern

Octanet Services Pvt. Ltd. (Remote) – [Dec 2023-Jan 2024]

- Completed internship focused on **frontend web development**, utilizing **HTML, CSS, JavaScript, Bootstrap**.
- Gained hands-on experience in building responsive and user-friendly interfaces.
- Successfully completed and submitted a final project: "**Netflix UI Clone**", showcasing layout design.

Summer Training

Indian Railways, Banaras – [July2024- Aug 2024]

- Completed an observational training program focused on understanding systems like payroll, employee management, and data querying.
- Collaborated with a team to develop an **Employee Management System** project.
- Contributed to the front-end development using **HTML, CSS, Bootstrap, and JavaScript**

SKILLS

- **Programming:** *JavaScript, HTML/CSS, Bootstrap, Tailwind CSS, React.js, Redux, SQL*
- **Tools:** *Git, VS Code, Visual Studio*
- **Other Skills:** *Restful APIs, Cross-Browser Compatibility, Agile Development*
