Skills

Android UI Push notifications Back-end services Android SDK Figma
Problem Solving RESTful APIs MySQL Flutter JAVA Dart GIT

Experience

Mobile Application Developer intern

08/2022 – 07/2023

Tinkering Hub, Parul University, Vadodara

• Frontend Design and API Intregation :

I am responsible for creating a mobile application for Parul Institute of Ayurveda. I am utilizing **Flutter and Figma** for the Hirudo_Therapy app's frontend. Additionally, I am connecting the frontend app with the necessary **PHP REST API** to ensure seamless data flow and integration

• Component Design and State Management :

Design and implement components within the Ayurveda apps. Manage the state of these components, allowing smooth interaction between the frontend and backend controllers. Apply performance optimization techniques like Cached Network Image, lazy loading, State Management Library like Provider,Bloc to enhance user experience

• Testing and Error-free Products:

Conduct testing to ensure the reliability, correctness, and stability of the implemented features. Implement error boundaries to handle and prevent bugs, resulting in a robust and bug-free Tech-Ayurveda product for Parul Ayurveda.

Android Developer intern

Future Bloom Technologies,Kolkata

[\[Certificate\]](#)

02/2021 – 04/2021

• Architecture, Design, and Implementation:

Actively involved in the architecture, design, and implementation and also Utilized **Android, JAVA, Firebase Realtime Database, Firebase Authentication and Figma.** to develop robust and efficient solutions. Applied contemporary development standards to enhance functionality and maintain code quality.

• Legacy Code Modernization:

Successfully modernized legacy code bases, improving functionality and ensuring compatibility with modern systems. Employed best practices and industry standards to refactor and optimize existing code.This modernization effort resulted in improved performance and maintainability of the systems.

Education

Parul University, Vadodara

2021 – 2024

- Bachelor of Engineering – BE, Computer Science

SHRI RAMSWAROOP MEMORIAL UNIVERSITY

2018 – 2021

- Diploma in Computer Science Engineering

Licenses & Certifications

Vadodara Smart City – Larsen & Toubro

[\[Certificate\]](#)

Core Java and Android – Skartia
