

Anil Kumar Verma

FULL STACK WEB DEVELOPER

+91-6306677876

Meerut, Uttar Pradesh

ailkumarve51@gmail.com

SUMMARY

Highly skilled and detail-oriented full stack web developer with some experience. I am very passionate about improving my development skills. Love to build amazing projects using a lot of different tech stack. I believe in final products, that's what user uses at last. Love to explore tech stack. I want to develop along with the organization to become an expert in the fields of computer science. Strong problem-solving skills and ability to work effectively in a team-based environment. Having a clear understanding of time and patience to learn, grow and excel in my work.
