OBJECTIVE

To obtain a challenging position as a Front-End or Full-Stack Developer where I can utilize my skills in HTML, CSS, Tailwind CSS, Bootstrap, JavaScript, React.js, Python, and SQL to build responsive and user-friendly web applications. I aim to contribute to a dynamic team and grow as a professional developer in a learning-focused environment.

EDUCATION

Bachelor of Computer Applications(BCA), DAVV University CGPA:-7.23 **2025**

Senior Secondary(12th) **2022**

Secondary (10th) **2020**

SKILLS

Languages:	HTML, CSS, JavaScript, Python, SQL
Frameworks/Libraries	React.js, Tailwind-CSS , Bootstrap
Tools	Git, Github,VS Code,Vercel
Soft Skills	Problem Solving, Communication, Team Collaboration, Time Management

PROJECTS

React CRUD Application Developed a full-featured CRUD (Create, Read, Update, Delete) web app using React.js to manage user data dynamically. Implemented React Router for multi-page navigation without page reloads. Managed global state using Context API for consistent data flow across components. Utilized React Hooks (useState, useEffect, useContext) to handle component logic and lifecycle. Stored user data using Local Storage for persistent state across sessions. Designed a clean and responsive user interface for an intuitive user experience. Tech Stack: React.js, JavaScript, CSS , HTML LinkedIn! ([Try it here](#))

PROJECTS

ClearBank Clone Built a visually appealing and responsive clone of ClearBank's official site using HTML, CSS, and JavaScript. Implemented scroll-based animations and interactive UI elements for enhanced user engagement. Focused on cross-browser compatibility and mobile responsiveness LinkedIn! ([Try it here](#))

PROJECTS

iCoder Developed a responsive and mobile-friendly website named iCoder using Bootstrap. Implemented multi-page navigation including About and Contact pages using smooth anchor linking. The layout adjusts dynamically for all screen sizes. Designed a clean and modern user interface for showcasing coding-related content. LinkedIn! ([Try it here](#))

EXTRA-CURRICULAR ACTIVITIES

- Designed and published multiple web pages and landing pages on LinkedIn to showcase frontend development skills using HTML, CSS, Tailwind CSS, and JavaScript,react js ,Bootstrap. - Actively share self-made projects and designs on LinkedIn, gaining positive engagement from the developer community. - Participate in discussions and help others by sharing frontend development tips and UI/UX design practices.Linkedin! ([LinkedIn](#))

LEADERSHIP

- Took initiative to build and share multiple frontend projects (like landing pages) on LinkedIn to inspire other learners. - Guided classmates in understanding HTML/CSS basics during group study sessions. - Regularly help peers debug their React and JavaScript code during self-learning. - Maintain discipline and manage personal project deadlines independently, showing self-leadership and time management. !
