

Objective

Scrutinized a challenging role where I can utilize my strategic mindset, technical expertise, and leadership abilities to deliver transformative solutions. I aim to contribute to the success of an organization poised for innovation and growth.

Master Of Computer Application

Dec 2022 - Present

-Pranveer Singh Institute Of Technology, Kanpur, UttarPradesh

71.5%

Bachelor Of Science

2017-2020

- Dr. Virendra Swarup Institute of Computer Studies, Kanpur, UttarPradesh

62%

Intermediate

2016-2017

- Chacha Nehru Smark Inter College

78.2%

High School

2014-2015

- Chacha Nehru Smark Inter College

82.8%

Internships

-Web Development Intern – [CODSOFT](#) (VIRTUAL INTERSHIP)

(Sep'23)

Technical Skills

Languages/Frameworks: C++, C, Java, JavaScript, NodeJS, Python

Platforms/Softwares/Databases: Github, VS Code, MySql

Technologies: HTML, CSS, PHP, Machine Learning

Data Analysis: Pandas, Numpy, Matlab, Data Visualization, Power BI, Statistics

Core Fundamentals: Operating System, Database Management System, Computer Networks, Object Oriented Programming, Data Structures

Soft Skills

Communication, Collaboration, Adaptability, TeamWork, Problem Solving, Time Management

Projects

➤ Credit Card Fraud Detection

- o This project is to predict fraudulent credit card transactions with the help of machine learning models.
- o We will analyze customer-level data which has been collected and analyzed during a research collaboration of Worldline and the Machine Learning Group.
- o Technology Used: Python, Machine Learning.

➤ SHOPOSPHERE

- o It is to create an e-commerce website that offers a seamless and convenient shopping experience for customers. The Main purpose of making this website is that every person cannot go to any shop and purchase any product online with the help of the internet.
- o Technologies Used: HTML, CSS, PHP, MY SQL.

➤ Hospital Management

- o It is designed to manage various aspects of a hospital, including patient records, doctor schedules, medical tests, and inventory management.
- o Based on HTML, CSS, MySql, etc.

Certifications

- o Programming Fundamentals using Python from [INFOSYS SPRINGBOARD](#)
- o GenAI from [GOOGLE](#)
- o NLP Solution with Azure AI Language from [MICROSOFT](#)
- o Python for Machine Learning from [Great Learning](#)

ExtraCurricular Skills

- o First Place Holder at Chess Competition at College.
- o Secure Runner up Place at Quiz Competition Show conducted by Aarohan Rising Clud .
- o Proficiency in English and adept at tapping into the IT talent hub
