EDUCATION

Galgotia College Of Engineering and Technology

Master Of Computer Application

October 2023 – July 2025

Greater Noida, Uttar Pradesh

Lucknow Public College of Professional Studies

*Bachelors Of Computer Application - **Percentage - 74.83%***

August 2020 – August 2023

Lucknow, Uttar Pradesh

COURSEWORK / SKILLS

- Data Structures & Algorithms
- Operating Systems
- OOPS Concept
- Database Management System (DBMS)

PROJECTS

Portfolio Website | HTML, Tailwind CSS

Jan 2024

- Designed and developed a responsive portfolio website using HTML and Tailwind CSS. Showcased projects and skills with a clean, minimalist design optimized for both desktop and mobile viewing.
- Utilized Tailwind CSS to create a customizable and consistent design system with utility-first classes.

Password Generator - | HTML, CSS, JavaScript

Aug 2024

- Developed a secure password generator tool using HTML, CSS, and JavaScript. Implemented features to generate customizable passwords with options for length and character types (uppercase, lowercase, numbers, special characters).
- Focused on responsive design and user-friendly interface. Ensured cross-browser compatibility and clean, modular code structure.

Blog Application - | Node.js, Express.js, MongoDB, JWT

March 2025

- Created secure user authentication system with sign-up and sign-in using JWT and password hashing.
- Allowed authenticated users to perform CRUD operations on blogs and post comments.
- Implemented access control to restrict unauthenticated users from creating, updating, deleting, or commenting on blogs.
- Designed RESTful APIs and used Mongoose for efficient database modeling with MongoDB.

TECHNICAL SKILLS

Languages: C, C++,

Developer Tools: Vs Code, IntelliJ Idea Ultimate

Database: Mysql

Frontend Technology: Html, Css, Javascript

Backend Technology: Nodejs, Expressjs

ACHIEVEMENT

Appeared in MCA entrance exams -

April 2023 – August 2023

MAHCET - 95.91 PERCENTILE

UPTU 1781 ALL INDIA RANK.

CERTIFICATIONS

- Web development - 2021 - Internshala
