Objective

Dedicated and innovative Software Tester with hands-on experience in designing, implementing, and maintaining robust server-side applications. Seeking a challenging role where I can leverage my expertise in Core Java, STLC, SpringBoot, Test Plans and database management to contribute to the development of cutting-edge solutions

Professional Experience

Software Testing Internship, Intern

02/2023 – 05/2023

Learned how to work in a team as well as in technical side test cases writing, black box testing, code readability are some things which I got to know.

Mumbai, India

- Business Case Preparation
- Process Analysis
- Java
- Business Requirements
- Teamwork
- Manual Testing
- SDLC/STCL

Education

Sant Gadge Baba Amravati University, HVPM COET, Amravati
CGPA-8.29

08/2019 – 06/2023
Amravati, India

Projects

E-Notes System:

Technologies:

Backend - JSP, Servlet, JDBC, MySQL.

Front-end - Html, CSS, Bootstrap4.

Responsibilities:

Implemented user registration functionality using HTML, CSS, and Bootstrap4 for an E-Notes system, enabling users to create accounts securely.

Developed a login page utilizing Servlets and JSP to authenticate users, ensuring secure access to the E-Notes system.

Integrated Servlets and JDBC to enable users to add notes seamlessly, enhancing the functionality of the E-Notes system.

Designed a user-friendly interface using HTML, CSS, and Bootstrap4 to display notes effectively in the E-Notes system, enhancing user experience.

Implemented note deletion feature using Servlets and JDBC, allowing users to manage their notes efficiently within the E-Notes system.

Utilized Servlets and JDBC to enable users to edit existing notes, providing flexibility and control over their notes in the E-Notes system.

Skills

Languages: Java 1.8, HTML5,CSS

Cloud/Databases: MYSQL, Oracle SQL, Debugging,
Exception Handling JDBC, Collection,

Manual Testing: SDLC,STCL, Functional Testing, Test
Cases, Test Plans, Defect Life Cycle

Key Skills• : OOPS, Collection, Exception
Handling, Multithreading, Hibernate, JDBC, Spring
Boot

Certificates

- Manual Software Testing
- Full Stack Java Developer
- Runner-Up Prize Competition
- Fundamentals Web Application
and Bug Bounty
