TECHNICAL SKILLS

Languages: JavaScript, Java, C, C++, Python

Technologies: MERN Stack, Tailwind CSS, Redux, React Router, Framer Motion, REST APIs

Developer Tools: VS Code, Git, GitHub

PROJECTS

Shopping App Assignment 🔗 | React, Context API, JavaScript, Pure CSS, Mock API

Live

- Built a basic e-commerce frontend with product listing, details, cart logic, and user login/logout pages.
- Implemented complete cart functionality with add/remove/update item logic.
- Used Context API for global state management across product and auth components.
- Styled the app from scratch using pure CSS for layout and responsiveness.

AI Agent Chat App 🔗 | MERN, Google Gemini API, WebSockets

Live

- Real-time chat interface powered by AI (Gemini).
- Supports project creation, collaboration, and live code execution.
- JWT authentication and user management.

Employer Assignment 🔗 | React, Tailwind CSS, React Router, Axios, JavaScript

Live

- Built a CRUD-enabled frontend using mock API for an employer assignment challenge.
- Handled UI-level updates using local storage due to mock API limitations.
- Implemented routing, structured component architecture, and responsive design with Tailwind CSS.

Movie Picker App 🔗 | React, React Router, JSON Server, Tailwind CSS, JavaScript

Live

- Developed a movie selection app using React and React Router for dynamic page navigation.
- Connected the frontend to a mock backend via JSON Server to simulate real API responses.
- Implemented movie listings, details, and a dynamic route-based UI.
- Strengthened understanding of nested routes, dynamic routes, and useNavigate/useParams.

Authentication App 🔗 | MERN Stack, Framer Motion

- Built a robust user authentication system with email verification and secure login/logout.
- Token-based authentication with protected routes and dynamic dashboard access.
- Enhanced UX with animated transitions using Framer Motion.

Pokémon Card Finder 🔗 | React, Tailwind CSS, JavaScript

Live

- Integrated Pokémon API to dynamically display Pokémon data with search functionality.
- Designed a responsive and visually appealing UI with Tailwind CSS.

EDUCATION

Dr. Virendra Swaroop Institute of Computer Studies

Bachelor of Computer Applications - CGPA: 7.5 (Till 5th Semester)

2022 – 2025

Kanpur, India

Shivaji Inter College

Intermediate - Percentage: 75.4%

2019 – 2020

Kanpur, India

City Education Centre

High School - Percentage: 80.33%

2017 – 2018

Kanpur, India
