Human Resource

PROFILE

As a Fresher HR, I am a highly motivated and dedicated individual who have currently pursuing Master of Business Administration in Human Resource Management completed. I am equipped with theoretical knowledge and practical skills to support HR operations within an organization.

During my studies, I gained a comprehensive understanding of various HR functions, including recruitment and selection, performance management, training and development, and HR policies and procedures. I am well-versed in utilizing HRIS systems and conducting HR data analysis to drive informed decision-making.

I am a proactive individual who is eager to take on new challenges and responsibilities. I am committed to creating a positive work environment and ensuring that all employees are treated fairly and respectfully. My strong ethical values and professionalism make me a valuable addition to any HR team.

Overall, as a fresher in the HR field, I am excited to apply my theoretical knowledge to an organization's success. I am eager to learn, grow, and make a meaningful impact in the field of HR.
