WORK EXPERIENCE

Silicon Stack (Austrax Technologies), Pune as Senior Manager HR & Admin: March 2021 – November 2024

Responsibilities:

- Partnered with leadership to align HR strategies with business objectives, leading to improved organizational performance and a more engaged workforce.
- Spearheaded the end-to-end transformation of HR operations, including policy revamps, digital automation of onboarding/offboarding, and implementation of structured performance and compensation frameworks.
- Designed and rolled out a customizable salary structure enabling employees to optimize their compensation based on individual financial and tax planning needs, which significantly boosted retention and satisfaction.
- Maintained 100% compliance with statutory obligations (PF, ESIC, Gratuity, etc.) through timely updates to policies and processes in accordance with evolving labor laws and HR best practices.
- Strengthened talent acquisition by streamlining hiring processes and introducing campus recruitment initiatives, ensuring a consistent inflow of qualified talent across IT and Non-IT functions.
- Improved employee engagement and performance through structured recognition programs, continuous learning initiatives, and career development frameworks.
- Optimized the organization's total rewards package by balancing competitive employee benefits (medical insurance, gratuity, PF, etc.) with effective cost management strategies.
- Automated key HR functions such as onboarding, exit management, and vendor billing processes, reducing administrative workload and turnaround time for critical operations.
- Provided critical HR support during periods of organizational change, ensuring minimal disruption, transparent communication, and smooth transitions.
