Skills

Languages: Java , C , Python(basic) , HTML/CSS , JavaScript (Node JS) , SQL

Tools: Git/GitHub, VS Code, Windows 10

Web Development Frameworks: : Spring , Spring Boot

Coursework :Object Oriented Programming, Data Structures , DBMS , Operating System

Education

United College of Engineering and Management

November 2020 - June 2024

Bachelor of Technology in Computer Science

Percentage:75.36

Sita Bal Vidya Mandir Inter College Mahmudabad

Percentage 87.2

Intermediate U.P.Board

Sita Bal Vidya Mandir Inter College Mahmudabad

Percentage 88

High School U.P.Board

Projects

Chatting Application (Node JS)

2023

- **Description:** Development of a real-time chat application leveraging Node.js, employing WebSocket technology to ensure smooth communication. This application featured robust user authentication, message encryption, and seamless updates, all implemented through Socket.IO and JavaScript.
- **Technologies Used:** Express.js , Socket.IO , WebSocket technology

Student Result Management System

2024

- **Description:** Developed a Java Swing application for efficient management of student results, automating grade calculations and offering secure data storage.
- **Technologies Used:** Java , Java Swing

To-Do List Application

2024

- **Description:** Built a robust to-do list app with Node.js, featuring task management and priority settings. Utilized JavaScript frameworks for seamless user interaction.
- **Technologies Used:** Node JS ,Express JS

Notepad Application

2024

- **Description:** Developed a user-friendly notepad application using Java Swing.

Achievements

- Solved 100+ problems at LeetCode
- Solved 50+ problems at GFG
- Successfully completed a one-month internship in Node.js at Code Quotient, gaining practical experience .
- Gate Qualifier 2023

Certifications

- April 2023 SQL(Basic) Skills — Hacker Rank
- February 2023 JAVA — Scaler Academy
- March 2024 GIT — GitKraken
- March 2024 Python(Basic) Skills — Hacker Rank

Area Of Interests

- Web Development
- Problem Solving
