PROFESSIONAL SUMMARY

A dedicated and creative web designer with hands-on experience in HTML, HTML5, CSS, JavaScript, Bootstrap, WordPress, Git, GitHub, and basic Photoshop. I specialize in building responsive, user-friendly websites and collaborating with clients to achieve their vision. My expertise includes content management, design customization, and website optimization.

WORK EXPERIENCE

INTERN, SIGNATURE IT SOFTWARE COMPANY - LUCKNOW

15/11/2022

6-month internship with Signature IT Software Company, where I honed my web development skills. Seeking to leverage my skills to contribute to innovative web design projects.
