Experiences

Customer Relationship Manager [CXM with IT]

OM AutoMobiles Pvt Ltd. Unnao *Jun2024–Nov2024*

I was working as a CXM in OM Automobiles Pvt Ltd.. This is my best attempt to execute my role and responsibility for the company to prove Customer Experience with Mahindra.

- Providing better service to customers.
- Handling IT Tools in dealership Customer management.
- Guide Customer for Vehicle features.
- Give guidance about IT tools of vehicles.
- Feel great experience to customer on dealership.
- Tracking about Mahindra Norms.
- IT Managements.

Senior Technical Support Engineer

Krishna Software Solution *Jan2021 – May24*

I am working as a post senior technical support executive in Krishna Software Solution. This is my best attempt to execute my role and responsibility for the company like resolve technical issues in basic or with database software (SQL), GST Return system, debug the problem of software in VB6, deal with customers for software and search many new things to improve quality of software.

Technical Support Executive

Krishna Software Solution *Apr2016 – Dec2020*

I am worked on post technical support executive in Krishna Software Solution.

This is my best attempt to execute my role and responsibilities for the company like understanding the problem of software through customers, handling software issues, customer support, training of software and installing software.

Customer Relationship Manager

Krishna Software Solution *Jan2016 – Mar2016*

I am also worked on Customer Relationship Manager profiles. This opportunity marked me the best problem resolver with customers. This profile is a great experience for me to create 100% satisfaction between the customer and company relationship.
