OBJECTIVE

Constantly seeking to engage my knowledge to learn something useful and keep challenging myself to be a better performer in accordance to the company's requirements. Good and quick learner, team player, love to learn new things, flexible with different technologies.

Skills

- **Technical Skills:**
- Programming Languages: C, C++, Java, Python, JavaScript
- Web Technologies: HTML, CSS, React.js, Node.js
- Databases: MySQL, MongoDB
- Tools & Platforms: Git/GitHub, VS Code, Eclipse
- Concepts: Data Structures & Algorithms, OOPs, DBMS, Operating Systems
- **Behavioral Skills:** Leadership, Team Player

Education

2022-2025 B. TECH in *Computer Science & Engineering* from Shambhunath Institute of Engineering & Technology with 7.92 CGPA.

2018-2021 Diploma from Government Girls Polytechnic with 74.5% marks.

2018 12th from CDIC College Pratapgarh with 74%marks.

2016 10th from CDIC College Pratapgarh, with 80 % marks.

EXPERIENCE

Software Developer Intern | Numetry Technology Pune, Maharashtra (Jul 24-Jan'25')

Wrote frontend & backend APIs for building a delivery-based web application Additionally, performed unit test and developed a CI/CD integrated project-java, JavaScript, HTML

- Worked on **software development** projects, gaining experience in **coding, debugging, and software optimization**
- Developed and tested **web applications**, improving system performance and user experience
- Collaborated with a team to implement **new features and bug fixes**
- Gained proficiency in [**e.g., Python, Java, React, etc.**]

INTERNSHIP

Internship AI & Robotics | IIT Mandi Himachal Pradesh (Jul '24'-Sep'24')

- I have completed in 2-month internship AI & Robotics from IIT Mandi Himachal Pradesh in 10 July 2024 to 10 September 2024
- "Completed an AI & Robotics internship at IIT Mandi, where I worked on [Research Paper]. Gained hands-on experience in machine learning, computer vision, and robotic using [Pandas, NumPy,

TensorFlow]. Collaborated with experts to develop innovative solutions for [real-world problem]."

Web Development Internship | IIIT, Prayagraj (Jan '24'-feb'24')

- Gained hands-on experience in front-end and back-end development
- Worked on real-world projects, enhancing web development skills
- Built and optimized **web applications**, enhancing front-end and back-end development skills
- Worked on **real-world projects**, applying web technologies for responsive design
- Improved debugging and problem-solving skills in **[e.g., HTML, CSS, JavaScript, Node.js, etc.]**

Projects

Face Recognition using Convolutional Neural Network (CNNs) (2024-25)

- Developed a face recognition system leveraging deep learning with CNN architecture in Python using TensorFlow/Kera's.
- Pre-processed image datasets for training and testing.
- Achieved [mention accuracy, if known] % accuracy in classifying and recognizing faces.
- Applied techniques like data augmentation, dropout, and normalization to improve model performance.
- Built and evaluated model performance using precision, recall, and confusion matrix.
- ❖ "RADAR SYSTEM" using Aurdino based Radar project in this project using an Altrasonic sensor for detection in 2022
- ❖ "E-commerce website" using Html CSS java Script in 2023
- ❖ "Implement work in ANN, CNN, RNN" using Machine learning and Deep learning in 2024

TOOLS & COMPUTER SKILLS

- Postman, Git, GitHub, VS Code
- MS Word, MS PowerPoint, MS Excel

CERTIFICATIONS

- **Certificate of Completion in Rangoli – 2022**
- **Company-Oriented Presentation Certificate – 2023**
- **AKTU Zonal Level Volleyball Champion – 2023**
 - Secured **1st position** and awarded **Gold Medal**
- **AKTU State Level Volleyball Participant (Lucknow) – 2023**
- **Hackathon Participant (Music Playlist Website Development) – 2023** Completed a **1- week** hackathon project
- **Infosys Course Completion Certificate – Basics of Python – February 2024**

- **Google (Coursera) Course Completion – Cybersecurity – 2024**
- **Machine Learning Bootcamp (TensorFlow) – SIET Prayagraj – April 2024**

HOBBIES, STRENGTHS

- Travelling
- Readings Book

- Good at Time Management
- Self Motivated
- Good Leadership Skill
