Career Objective

Dynamic and innovative Frontend Developer committed to creating user-friendly and visually appealing web applications. Proficient in HTML5, CSS3, and JavaScript, with hands-on expertise in Frontend Development and libraries. Seeking opportunities to apply skills and knowledge in a professional setting. Dedicated to delivering high-quality code and solutions that adhere to web standards, aiming to contribute positively to innovative projects while continuously learning and growing as a developer.

Skills

Languages: JavaScript, HTML, CSS, C++

Technologies/Framework: React.js, ES6, Flexbox, Responsive design, Single Page Application, Next.js, Netlify

Tools: Git/Github, Chrome Developer Tools, Visual Studio Code

Platforms: Windows, Linux

Soft Skills: Public Speaking, Leadership, Event Management

Projects

Interactive Event Scheduler | *React.js, Next.js* | **Demo Link**

August 2024 - September 2024

- Developed an event scheduler app similar to Google Calendar, managing and viewing events.
- Implemented CRUD operations, managing up to 100 events daily, enhancing user interaction, and achieving a **30%** reduction in load times.
- Designed UI features that improved mobile user retention by **20%** through responsive design and intuitive navigation.

Comprehensive Movie Streaming Platform | *React.js, Firebase* | **Demo Link**

June 2024 - July 2024

- Developed a full-stack movie streaming application.
- Utilized TMDb APIs to fetch data on over 1,000 movies, enhancing recommendation accuracy.
- Implemented Firebase Authentication, resulting in over **50** secure user sign-ins and sign-ups.
- Ensured full responsiveness and UI consistency across various devices, resulting in a **10%** increase in user engagement and satisfaction.

Experience

Relax

March 2024 – May 2024

Front End Engineer

Remote, India

- Developed a web application promoting peace, achieving an **88%** enhancement in initial load time and incorporating React smooth scrolling for seamless navigation.
- Optimized a functional contact form for user communication and enhanced the user interface with responsive design elements for consistency across devices.
- Skills: JavaScript, React.js, Single Page Application
