 Kanpur, Uttar Pradesh

SKILLS

- **Programming Languages:** Swift, SwiftUI
- **Networking:** URLSession, Alamofire
- **Debugging & Testing:** XCTest, Unit Testing
- **Development Tools:** Xcode, Interface Builder
- **UI/UX Design:** Storyboards, Auto Layout
- **Performance Optimization:** Profiling, Code Optimization
- **API Integration:** RESTful APIs, JSON
- **Version Control:** Git

EDUCATION

Masters in Computer Applications | 2020 - 2022

Pranveer Singh Institute of Technology-PSIT

Bachelor of Computer Applications | 2017 - 2020

Panjab University, Chandigarh

CERTIFICATES

Web development course

Jetking, Chandigarh

NEHA KUKREJA

IOS DEVELOPER

PROFESSIONAL EXPERIENCE

Software developer adept at application development, testing and optimization. Quick learner with an ability to meet tight deadlines and the willingness to take the initiative and excel with new responsibilities.

WORK EXPERIENCE

Appinventiv Technologies | iOS Developer

Feb 2022 - Present

- Applied Apple's **Swift development language** to code native apps for iOS platform.
- Integrated existing **third-party APIs** to shorten development times and add interactivity with the Application.
- Applied Agile software development methodology to elevate final products and streamline development efforts.
- Worked with quality assurance team to confirm app compatibility with analogous solutions on other platforms.
- Researched and selected APIs for integration into development projects.

PROJECTS

Toki

Role: iOS Developer

- Developed a real-time application that provides a range of payment facilities, such as mobile recharges, bill payments, taxi, train and loan payments, insurance etc.
- Integrated RESTful APIs to enable seamless communication between the app and the server.
- Implemented a user-friendly interface adhering to design principles, ensuring an intuitive and engaging user experience.
- Implemented CocoaPods, leveraging third-party libraries like Moengage, Alamofire, Firebase, Realm Swift, SDWebImage & Swift Lint to expedite development and enhance app features.
- Successfully implemented app localization to support multiple languages (English & Mongolian), providing a user-friendly experience for a diverse, global user base.

PlanDid

Role: iOS Developer

- Worked on the UI/UX design, implementing responsive layouts and ensuring a consistent user interface.
- Conducted testing, debugging, and performance optimization to enhance the app's functionality and user experience.
- Developed comprehensive test cases, employing XCTest and other testing frameworks to rigorously assess and validate app functionalities.
