CERTIFICATE

- 1.Diploma in computer application
- Everyone can understand that we live in the computer and internet era. For the students who could not take a computer-related course before their tenth or twelfth-grade year, the DCA, or Diploma in Computer Applications, the course is quickly gaining popularity. The DCA course is highly beneficial for many students because computer usage is growing in every industry nowadays. Also, it benefits new learners or those without computer expertise and deals with many issues, and this program makes them capable of the knowledge and abilities needed to use computers and complete daily duties; also, this course equips them with all the skills necessary to operate computers and perform other computer-related tasks.
- 2.Course on Computer Concepts(CCC)
- The course is designed to help people learn how to use computers for both professional and personal use. This course is completely from Rama institute rewali. under the guidance Abhijeet Kumar singh.
- 3.'O' Level
- 'O' level course of DOEACC Scheme is equivalent to a Foundation Level Course in Computer Applications. Students can acquire this qualification by undergoing this course and passing the examination conducted by NIELIT.
