PROFESSIONAL EXPERIENCE

Full-Stack Developer Intern | [Wire Wings IT Solutions](#)

January 2025 – March 2025

- Developed and maintained client and in-house web applications using React.js, Node.js, and PostgreSQL..
- Built responsive and user-friendly interfaces using Tailwind CSS.
- Integrated backend APIs to enhance application functionality and performance.
- Collaborated with cross-functional teams to ensure timely project delivery.
- Successfully delivered Scrilla, an e-commerce platform, meeting tight deadlines with high-quality standards.

PROJECTS

Pixify - Social Media Web App

GitHub frontend — GitHub backend — Pixify Live

- Developed a social media platform enabling users to create posts and engage in real-time chat using Socket.IO.
- Deployed frontend on Vercel and backend on Render, using MongoDB Atlas for database management.
- Styled the application with Tailwind CSS, creating a modern, responsive interface.

FlavourFusion - Recipe Web App

GitHub Repo — FlavourFusion Live

- Developed a food recipe web application using React.js, showcasing recipes via a dummy API.
- Designed a responsive and visually appealing user interface with Tailwind CSS.
