WORK EXPERIENCE

Oasis Infobyte • Bareilly, Uttar Pradesh, India • 10/2023 - 11/2023

Intern Full Stack Developer

- Executed frontend tasks using HTML, CSS, and JavaScript, transforming design mockups into responsive and visually appealing user interfaces.
- Assisted in building and integrating RESTful APIs for seamless communication between frontend and backend components.
- Contributed to database design and optimization, implementing efficient SQL queries for data retrieval and manipulation.
- Projects

Codsoft Ltd • Bareilly, Uttar Pradesh, India • 09/2023 - 10/2023

Web Developer Intern

- Architected and deployed responsive user interfaces with HTML, CSS, and JavaScript, increasing conversion rates by 30% and reducing cart abandonment by 20%.
- Collaborated with backend developers to implement Node.js tasks and streamline RESTful API integration, enhancing system efficiency and performance, saving over 150 development hours monthly.

PROJECTS

BUYBUDDY • 06/2023 - 01/2024

- Designed and developed a comprehensive e-commerce platform using the MERN stack, ensuring end-to-end functionality from user interface to database management.
- Implemented robust backend services with Node.js and Express, featuring RESTful API integration, user authentication, and secure data handling, achieving a 30% improvement in response time.
- Utilized MongoDB for flexible, schema-less database architecture, enhancing data retrieval speed by 25%.

PORTFOLIO • 09/2023 - 10/2023

- Developed an interactive portfolio website using React and TailwindCSS, showcasing projects with smooth animations and intuitive navigation.
- Optimized website performance through efficient state management and
