

UMANG RATHOUR

Business Development Executive | |
IT Trainer | | Full Stack Developer

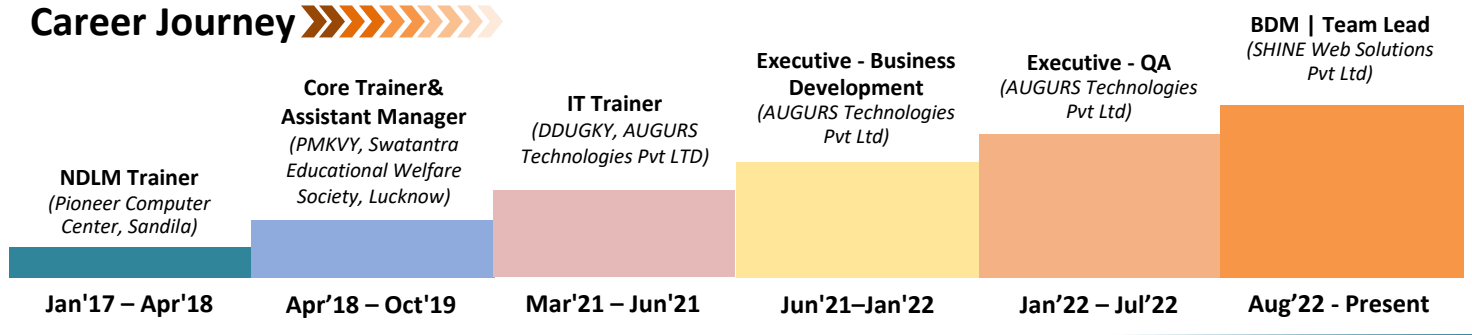

Introduction

He is a dedicated **Business Development Executive** with over **4 years of experience**, specializing in **revenue growth, client acquisition, bidding on freelancing platforms, and strategic planning**. Through his expertise in **sales, negotiations, and market expansion**, he played a key role in driving his company to generate over **\$150,000 in just 16 months**. He possesses a **deep understanding of business strategies, lead generation, and relationship building**, allowing him to identify and seize new market opportunities. His ability to analyze trends and implement **data-driven growth plans** has led to significant revenue increases and long-term client retention.

He renders outstanding abilities such as **persuasive communication, market research, and result-driven decision-making**, extracted from years of hands-on experience and continuous learning. His **"first learn, then implement"** mindset has consistently proven effective, benefiting both him and the organizations he has worked with.
