Profile

CS undergraduate graduating in 2026 with strong foundations in Data Structures, Algorithms, Object-Oriented Programming, and Backend Development. Experienced in Python, Java, SQL, REST APIs, Flask, Django, and AI-powered applications.

Education

Dr. A.P.J. Abdul Kalam Technical University (AKTU)

Dec 2022 – Apr 2026

Pranveer Singh Institute of Technology

Bachelors of Technology (Computer Science and Engineering)

CGPA:7/10(70%)

Technical Skills

Programming Languages: Python, Java, SQL

Web Technologies: HTML, CSS, REST APIs

Backend Frameworks: Flask, Django

AI Frameworks Libraries: LangChain, LangGraph, LlamaIndex

Databases: MySQL, SQLite

AI Concepts: Retrieval-Augmented Generation (RAG), Agentic AI, Fine-Tuning

Tools Platforms: Git, GitHub, Jupyter Notebook

Core Concepts: Object-Oriented Programming (OOP), Data Structures Algorithms, DBMS, Operating Systems, Computer Networks

Development Practices: SDLC, Debugging, Unit Testing

Projects

Bargain Bliss – Price Analytics System 🔄

- Designed and developed a modular Python-based backend application to analyze historical product pricing data and provide purchase timing insights.
- Built RESTful backend services using Flask and SQLite to manage product, pricing, and user-related data.
- Integrated external APIs to automate real-time price data collection and updates.

Social Media Platform (Django) 🔄

- Designed and developed a modular Python-based backend application for a social media platform using Django.
- Built RESTful backend services using Django and SQLite to manage user, profile, and post-related data.
- Integrated authentication and user interaction features to handle real-time data flow and updates.

Achievements Certifications

- AWS Certified Cloud Practitioner
- Salesforce Certified: Data Cloud Prompt Builder
- Oracle Certified Professional – Database Foundations
- Data Structures Algorithms (Udemy)
- Solved 300+ problems on LeetCode and GeeksforGeeks
- Completed hands-on Machine Learning projects using Scikit-learn
- Microsoft Certified: Basics of Data Analytics
- Excel Skills for Business Job Simulation – Goldman Sachs (Forage)
