PROFILE SUMMARY

Cloud Engineer with hands-on experience in AWS, Linux, Docker, networking, and cloud infrastructure deployment. Gained practical exposure to EC2, S3, CloudFront, IAM, and VPC through projects and a Cloud Engineer Trainee Internship. Seeking entry-level Cloud/DevOps Engineer opportunities to build and manage reliable cloud infrastructure.

EDUCATION

Jetking Institute Diploma in Cloud Computing with Ai	06/2025 – 06/2026 Prayagraj, Uttar Pradesh
Arunachal University of Studies Bachelor of Computer Applications	07/2024 – Present Namsai, Arunachal Pradesh

TECHNICAL SKILLS

Cloud — AWS
Operating Systems — Linux, Windows, Windows server
Networking — TCP/IP, DNS, DHCP, HTTP
Tools — Docker, Git, GitHub, Bash, Shell Scripting, Jira

EXPERIENCE

CloudFox CyberTech Educom Cloud Engineer Trainee Intern Completed a Cloud Engineer Trainee Internship focused on Cloud Computing and IT Infrastructure. - Configured and deployed AWS resources including EC2, IAM and VPC through hands-on cloud infrastructure assignments. - Applied Linux administration and networking concepts for cloud configuration, monitoring and troubleshooting. - Completed practical assignments covering cloud security, infrastructure deployment and IT administration.	03/2026 – 07/2026 Prayagraj, India
---	---------------------------------------

PROJECTS

[Dockerized Web Application Deployment on AWS EC2](#)

- Launched and configured Ubuntu EC2 instance on AWS
- Built and deployed a Dockerized Nginx web application
- Exposed container via public IP with proper port mapping
- Verified deployment through browser access and container logs

[Static Website Hosting with AWS S3, CloudFront & IAM](#)

- Designed and deployed a static website using Amazon S3 for storage and hosting
- Configured IAM roles and bucket policies to ensure secure and controlled public access
- Integrated CloudFront CDN for global content delivery and improved performance
- Tested deployment and verified website accessibility via CloudFront distribution

CERTIFICATES

[Cloud Computing Certification — Tutedude](#)

- Skills: Cloud Fundamentals, Virtualization, Networking Basics, Cloud Architecture, Service Models

[AWS: Zero to Hero Certification—TrainWithShubham](#)

- Skills: AWS Fundamentals, Cloud Services Basics, IAM Concepts, Compute & Storage Basics

[Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate](#)

- Skills: Cloud Fundamentals, OCI Basics, AI Concepts, Cloud Security Principles
