EDUCATION

B.Tech (Artificial Intelligence And Machine Learning) (7.6/10)

2021 - 2025

Dr APJ Abdul Kalam Technical University

SKILLS

Programming	Python, SQL, HTML, CSS, JavaScript, React.js
Generative AI	LLMs, RAG, Prompt Engineering, AI Agent
Tools	ChatGPT, Claude, Gemini, Grok, GitHub Copilot, Replit AI, Git, GitHub
Soft Skills	Problem Solving, Communication, Teamwork

EXPERIENCE

Machine Learning Engineer Intern, Team of Keys Pvt. Ltd.

Feb 2025 – Mar 2025

- Built AI powered chatbots and intelligent automation solutions using OpenAI, Groq APIs, Python, and LLM based workflows.
- Developed Selenium based automation tools and integrated AI applications with cloud dashboards for analytics, monitoring, and business automation.

Software Engineering Virtual Experience, JPMorgan Chase & Co. (Forage)

May 2020 - Jun 2020

- Set up a local development environment by configuring required files, tools, and dependencies for software engineering tasks.
- Debugged and fixed broken repository files to ensure correct functionality and output of the web application.
- Utilized JP Morgan Chases open source Perspective library to create a real time data visualization dashboard, enabling traders to monitor live market data efficiently.

PROJECTS

Alex AI Legal Assistant

[Link](#)

- Developed an AI powered legal assistant for IPC and CrPC queries using LLMs, RAG, vector databases, and Groq API integration.
- Implemented document search, legal case analysis, summarization, and intelligent chatbot support with speech to text and text to speech features.

Social Media Analytics Dashboard

[Link](#)

- Developed a responsive social media analytics dashboard using React.js to visualize follower growth, engagement metrics, and post performance.
- Built interactive dashboard components and data visualizations, providing real time insights through a clean and user-friendly interface.

CERTIFICATION

- Google Data Analytics Professional Certificate (Google) — Google Generative AI — IBM Applied AI — Data Analysis with Python — Machine Learning — Introduction to Deep Learning (Coursera).

LEADERSHIP

- Campus And ChatGPT Ambassador – Represented IIT Delhi, IIT Bombay, BITS Pilani, IIT Indore, and Internshala, promoting events, community engagement, and effective AI/prompt engineering practices.
