Professional Summary

Motivated BCA graduate with strong knowledge of Java, Python, JavaScript, React.js, Next.js, SQL, HTML/CSS and Git/GitHub. Developed a Full Stack Home Service Booking System and a Python Data Analysis project. Passionate about software development, problem solving and building scalable web applications. Seeking an entry-level Software Engineer or Full Stack Developer role.

Technical Skills

Programming Languages: Java, Python, JavaScript, SQL

Web Technologies: HTML5, CSS3, React.js, Next.js, Tailwind CSS

Database: MySQL, SQL

Tools: Git, GitHub, VS Code

Core Concepts: Object-Oriented Programming (OOP), Data Structures, DBMS, Operating Systems, Computer Networks

Education

Bachelor of Computer Applications (BCA) Aug 2023 – Jul 2026

Meena Shah Institute of Technology and Management, Gonda

Relevant Coursework: Data Structures, DBMS, Operating Systems, Computer Networks, Software Engineering

Intermediate (Science) Jul 2021 – Aug 2023

Saraswati Vidya Mandir Inter College, Intiyathok, Gonda

High School Jul 2019 – Jul 2021

Saraswati Vidya Mandir Inter College, Intiyathok, Gonda

Projects

Home Service Booking System Aug 2025 – Jun 2026

Full Stack Web Application — BCA Final Year Project

- Developed a Full Stack Home Service Booking System using Next.js, React.js, JavaScript, HTML, CSS and Tailwind CSS.
- Implemented secure user authentication, service booking, booking history and responsive user interface.
- Integrated backend APIs, database operations and Git/GitHub for version control following modern web development practices.
- Applied responsive web design principles to ensure compatibility across desktop and mobile devices.
- Followed clean coding practices, component-based architecture and Git version control during development.

Student Performance Analysis Jan 2024 – Mar 2024

Python Data Analysis Project

- Developed a data analysis project using Python, Pandas and NumPy.
- Cleaned and analyzed academic datasets to identify trends and performance patterns.
- Generated visualizations and reports to support data-driven decision making.

Certifications

- NIELIT O Level
- Applied Data Science with Python – Great Learning
- Python Programming – Great Learning

Key Competencies

- Problem Solving and Analytical Thinking
- Team Collaboration and Communication
- Quick Learner with Adaptability
- Version Control with Git & GitHub
