TRAINING

SimpliLearn

Web Development

- Completed comprehensive Development training from SimpliLearn, gaining proficiency in front-end technologies, and applying practical knowledge to real-world projects.

GLA University Mathura

Flutter Android Development

- Participated in JOB ADDED VALUE PROGRAM in Flutter For Android DEVELOPMENT.

PROJECTS

StudyUP(TeamProject):

- Led a team project as the project leader, responsible for developing the HTML components.
- Led the design and development of a website using HTML, CSS, and JavaScript.
- Organized a project to create extensive educational content for studying.

Age and Gender Prediction Using Machine Learning(Individual Project):

- I independently created and completed a solo project using Python for website development.
- I oversaw the entire design process, prioritizing user-centered principles to ensure a smooth interface.
- Applied image preprocessing and feature extraction techniques to optimize model accuracy.

SKILLS

Technical Skills:

Programming Language - Proficient in **Java** with strong knowledge of Object-Oriented Programming (OOP) principles.

Front-End — HTML | CSS | JAVASCRIPT

Framework Proficiency - Skilled in **React**.

Problem-Solving - Proficient in Data Structures and Algorithms at an basic level.

Developer Tools- VS Code, Git and GitHub.

Professional Skills:

- Good at communicating clearly with different people.
- Skilled in planning and managing strategies to achieve company goals.
- Works well in a team, helping everyone collaborate and achieve shared goals.
- Dedicated to learning and growing professionally, always looking for new skills and knowledge to stay updated in the industry.

ACHIEVEMENTS

- Achieved a "2 Star" rank on CodeChef, demonstrating strong skills in problem-solving.
- Earned an impressive 856 rating on Codeforces, showcasing advanced skills in competitive programming.
- Solved over 140 problems on LeetCode, highlighting proficiency in complex coding challenges.
- Maintained a 45-day streak on GeeksforGeeks, showing dedication to continuous learning in programming.

EXTRA/CO-CURRICULAR ACTIVITIES

- Completed Java Full Stack Development training at GLA University, Mathura, gaining practical expertise in software development.
- Participated in a Cloud Computing workshop at GLA University, Mathura, expanding knowledge of modern computing technologies.
- Contributed to organizing cultural festivals, promoting diversity and inclusivity on campus.
- Engaged in outdoor activities like hiking and camping, promoting physical fitness and a sense of adventure.

DECLARATION

- I hereby declare that all the above-mentioned information is true and correct to the best of my knowledge.
