

KRITI KUMARI

Full Stack Developer · MERN Stack · MCA 2026

+91 78708 20513 kumarikriti124@gmail.com github.com/kritikumari Patna, Bihar, India

PROFESSIONAL SUMMARY

Motivated MCA candidate and full-stack developer with hands-on experience building MERN-stack applications and four months of industry training in an agile, production environment. Proven ability to deliver complete e-commerce platforms end to end — from JWT-secured authentication to optimised MySQL and MongoDB Atlas data layers. Comfortable working across the stack, from responsive React front ends to RESTful Node/Express APIs. Passionate about clean code, version control discipline and growing as a developer within a collaborative team.

TECHNICAL SKILLS

Languages: JavaScript, Java, HTML5, CSS3

Frontend: React.js, Bootstrap, Tailwind CSS

Backend: Node.js, Express.js, REST APIs

Database: MongoDB, MySQL

Auth & Security: JWT, OAuth

Tools: Git, GitHub, Postman, VS Code

PROJECTS

E-Commerce Web Application · Full Stack · MERN Project

github.com/kritikumari · [Live Demo](#)

- Full-stack MERN application with complete shopping flows — user registration, product browsing, cart management, checkout and order tracking.
- JWT-based authentication with protected routes, session persistence and role-based access for standard users and admin.
- RESTful Node/Express API connected to MongoDB Atlas cloud database with optimised aggregation queries and indexing.
- Responsive, accessible React frontend with product catalog, search & filter, shopping cart, wishlist and admin dashboard.

Stack: React.js · Node.js · Express.js · MongoDB Atlas · JWT Auth

EXPERIENCE

Software Development Trainee · On-the-Job Training

4 Months

Industry Training Programme · Entry Level / Fresher

- Built and maintained front-end modules using HTML5, CSS3 and vanilla JavaScript — improving UI consistency and cross-browser compatibility across the application.
- Designed MySQL database schemas and wrote optimised queries for complex data retrieval, reporting and manipulation, reducing average query response time.
- Participated in daily standups, sprint planning and peer code reviews within an agile team, delivering features on schedule across multiple sprint cycles.
- Implemented Git version control on a shared codebase, following branching strategies, writing descriptive commits, and resolving merge conflicts.
- Applied industry coding standards and documentation practices, improving code maintainability and onboarding speed for new team members.

Stack: HTML5 · CSS3 · JavaScript · MySQL · Git · VS Code

EDUCATION

Master of Computer Applications (MCA) · Patna Women's College <i>Patna University</i>	2024 – 2026
Bachelor of Computer Applications (BCA) · G.J. College, Bihta <i>Patna University</i>	2021 – 2024
Intermediate (Class XII) · B.B.N.M Girls College <i>BSEB Board</i>	2021
Matriculation (Class X) · M.K.R.G.H.S Arap <i>BSEB Board</i>	2019

ACHIEVEMENTS

- Earned a Professional Certificate in Android Development, covering Android SDK, Java and mobile UI/UX design.
- Designed and deployed a full-stack MERN e-commerce platform with JWT-secured authentication, role-based access and an admin dashboard.
- Completed a 4-month industry training programme, contributing to agile sprints and improving MySQL query performance in a production-style codebase.

SOFT SKILLS

Team Collaboration | Problem Solving | Adaptability | Quick Learner | Time Management
