

CAREER OBJECTIVE

I am a dedicated MERN Stack Developer and a BCA 2nd year student with strong skills in MongoDB, Express.js, React.js, and Node.js. I enjoy creating user-friendly, scalable, and efficient web applications. Along with my technical knowledge, I am also proficient in Microsoft Office, which helps in documentation and project management. I have a strong interest in problem-solving and enjoy collaborating with teams to build innovative solutions. My goal is to grow as a professional developer, contribute to impactful projects, and continuously enhance my skills to keep up with the evolving tech industry.

EDUCATION

JNMPG COLLEGE, BARABANKI RMLU

Bachelor of Computer
Application 2024..... (Present)
Currently pursuing, 2nd year

Azimuddin Ashraf Islamia Inter College Barabanki

High School and Intermediate Education

SKILLS

- **Language:** - JavaScript
- **Web technologies:** - HTML, CSS, react.js, node.js, MongoDB
- **Supporting Skills:** - Problem Solving, Effective communication, teamwork

CERTIFICATIONS

I have completed a **6-month MERN Stack Development course in Lucknow**, gaining hands-on experience in building full-stack web applications using **MongoDB, Express.js, React.js, and Node.js**. This training helped me strengthen my skills in frontend and backend development, API integration, and database management.

PROJECTS

PROFESSIONAL EXPERIENCE

MERN STACK Developer | 6 Months Experience

Worked as a FULL STACK Developer at [**Web World Hub**], where I gained 6 months of hands-on experience in developing modern, scalable, and responsive web applications. During my time at the company, I successfully worked on **10-12 real-world MERN STACK projects**, contributing to production-level code and user-facing features. My role involved building reusable React components, implementing responsive layouts using Tailwind CSS, integrating REST APIs, and improving overall UI/UX performance. I closely collaborated with designers and backend developers to deliver clean, efficient, and maintainable frontend solutions aligned with business requirements.

MERN STACK FULL-STACK INTERNSHIP

MERN Stack Developer Intern | 6 Months

A Completed a 6-month MERN Stack Full-Stack Internship at [**Hanumant Technology Institute**], gaining hands-on experience in building full-stack web applications. Worked with **React.js, Node.js, Express.js, MongoDB, JavaScript, and Tailwind CSS** on real-world projects. Successfully completed the internship and received an official **6-month internship certificate**.
