LIVE PROJECTS

1. Covers&All [<https://coversandall.com>]

(02/2025 – 04/2025)

A Business-Oriented Web Project, in which I have designed responsive UIs using ReactJS, HTML5, CSS3, and JavaScript, ensuring seamless performance across devices.

2. Cecareus [<https://cecareus.com/>]

(02/2025 – 04/2025)

A client-oriented project, in which I have created web pages that aimed at achieving goals, followed agile methodology.

3. InstaaCoders [<https://instaacadors.com/>]

(10/2024 - 12/2024)

For InstaaCoders, I successfully created a series of web pages that showcased the brand's cutting-edge technology solutions and services.

4. Manthan [<https://www.manthan247.com/>]

(06/2024 - 09/2024)

I ensured that each page adhered to best practices in web design, providing clear calls to action and delivering an intuitive layout.
