

Prakhar Mishra

B.Tech CSE — Full-Stack & ML Developer

Lucknow, Uttar Pradesh, India

+91 6386346522 — mishraprakhar3030@gmail.com — [LinkedIn](#) — [GitHub](#)

PROFESSIONAL SUMMARY

Results-driven Computer Science Engineering student specializing in Full-Stack Web Development and Machine Learning. Proven track record in building secure web applications and deep learning classification models. Proficient in leveraging React.js, Node.js, and PyTorch to develop scalable software and robust computer vision solutions.

TECHNICAL SKILLS

- **Programming Languages:** Java, Python, JavaScript, TypeScript
- **Web Development:** React.js, Next.js, Node.js, Express.js, Tailwind CSS, Vite, Framer Motion
- **Machine Learning & CV:** PyTorch, Timm, Albumentations, Deep Learning, Computer Vision
- **Databases & Tools:** Supabase (PostgreSQL), Clerk Auth, Git/GitHub, REST APIs, Recharts

PROJECTS

TamperNet: Deepfake & Image Tampering Detection — *ML Research Project*

- Designed and trained a hybrid ConvNeXt and Transformer architecture integrating Efficient Channel Attention (ECA) and cross-attention fusion for pixel-level deepfake localization.
- Achieved over 99.8% detection accuracy across a dataset of 240,000 images.

CollegeConfess — *Full-Stack Campus Platform*

- Developed a secure, anonymous social platform for students, implementing strict university email verification and role-based access control using Node.js, Express, and Supabase.
- Built a responsive, mobile-first frontend using React, TypeScript, and Tailwind CSS, incorporating real-time notifications, interactive polling, and leaderboards.

BTech Hub — *Academic Portfolio Platform*

- Created an automated profile builder for engineering students to centralize and showcase academic records, project portfolios, and technical certifications.
- Integrated dynamic data visualization using Recharts and engineered an automated resume generation feature using React 19 and Vite.

EDUCATION

Dr. A.P.J. Abdul Kalam Technical University (AKTU)

Lucknow, India

Bachelor of Technology in Computer Science & Engineering

2023 – 2027

Last Sem SGPA: 7.74/10

Class XII (CBSE)

2022

Percentage: 74.8%

Class X (CBSE)

2020

Percentage: 86.8%

ACHIEVEMENTS

- **Hackathons:** Qualified for the Smart India Hackathon (SIH) College Round (Twice) and the Offline Round at the SAGE University Hackathon.
- **Competitions:** Secured 3rd Prize in the intra-college Coding Competition during sophomore year.
