Master in Computer Applications

KMC Language University

2023 - 2025

Bachelor in Computer Applications

United Institute of Management

2020 - 2023

WORK EXPERIENCE & INTERNSHIPS

Full Stack Developer

KBTS Talentbridge Studios

SEPT 2025 - DEC 2025

- Designed and developed the official company website (kbtalentbridgestudios.com) entirely from scratch using the MERN stack, managing the complete development lifecycle from concept to production.
- Led end-to-end full-stack development, including UI/UX planning, React-based front-end development, Node.js & Express APIs, and MongoDB database design.
- Deployed and maintained the application in a production environment, ensuring uptime, security, and future scalability.

Web Developer (Intern)

Growsocialhub

JAN 2025 - JUL 2025

- Worked on project-based social media service platforms using the MERN stack application with a primary focus on front-end development, while also contributing to back-end development for seamless integration and overall functionality.
- Developed and maintained scalable, user-friendly interfaces optimized for conversion and engagement, tailored to the needs of digital marketing and social media clients.
- Developed and maintained interactive and user-friendly WordPress websites, leveraging themes and plugins to create dynamic and responsive sites. Developed custom designs tailored to client requirements and implemented SEO best practices and security enhancements.
