HR INTERN, EXPANSIONJS

During my internship, I was able to gain exposure to fundamental concepts related to HR operations. In this period, I was able to get hands-on experience with hiring workflows, screening practices, professional communication, and other administrative tasks. This learning period was important for me as it allowed me to take full ownership of recruitment responsibilities in my full-time role. I was also able to gain hands-on experience with tools like MsExcel, Google Workspace, & Zoho People.

EDUCATION
